RE: LIHEAP WEATHERIZATION WAIVER APPROVAL

As anticipated, the Department of Community Services and Development (CSD) has received verbal approval from the U.S. Department of Health and Human Service (HHS), Office of Community Services (OCS), to increase the weatherization allocation from fifteen percent (15%) to twenty-five percent (25%). Effective immediately, you may begin expending the additional ten percent (10%).

There is no need for an amendment. Your 2007 LIHEAP Weatherization Budget, Exhibit B-Attachment II, Column B, reflects the increased weatherization of twenty-five percent (25%).

A copy of this notice will be posted on CSD's web site at <http://www.csd.ca.gov>, by Monday, July 16, 2007, under the "Contractor's Only" site. If you have any questions, please contact your Field Representative.

Sincerely,

*Jayson Wimbley*
